Attestation-No.: 699 6049931-1/1 Validity until: 2009-12-31

ift Rosenheim GmbH
Certification body
Theodor-Gietl-Str. 7-9
83026 Rosenheim

The present attestation shows that the supplier fulfilled the mentioned products of Glas Trösch AG, Bützberg according to the requirements of the Finnish STF approvals YM247/6221/2004 dated 2005-03-14 and YM 248/6221/2004 dated 2005-03-14. The supplier also implement and maintain a Factory Production Control according to ift contract no. 699F-V 6049931.

Basis of the attestation is a continuous Factory Production Control and a third party control of the supplier by the surveillance body.

The attestation shall be valid until 2009-12-31 and exclusive in combination with the verification of a third party control according to the surveillance contract no. 699F-V 6049931.

The reproduction of the attestation without any change whatsoever from the original is permitted.

Any changes to the prerequisites applicable for certification shall be immediately communicated in writing to ift-Q-Zert and shall be accompanied by relevant evidence.
